

BOARDING/DAYCARE LIABILITY & AGREEMENT FORM

Canine Corner and Cats too! will take every reasonable effort to provide a safe environment for your pet while at our facility. I, the pet owner, understand that having my pet in the company and environment of other pets may involve risks such as contraction of illness or disease. I understand even regular vaccinations or preventatives may not completely protect against illness and that Canine Corner and Cats too! cannot be held responsible should any circumstance arise.

I certify my pet is in good health, is indeed up to date with the required vaccinations, and has not been noticeably ill or exposed to any communicable illness within the last 30 days. If your pet has been sick, they must be symptom free for at least 10 days prior to check-in.

Monthly flea treatments and regular fecal checks for intestinal parasites are strongly recommended. Any pet found to have either will be treated and charged accordingly.

I understand in situations where co-mingling is allowed, I accept the possible risks and acknowledge that Canine Corner and Cats too! employees, and any person associated with Canine Corner in a volunteer capacity will take precautions to minimize any risks and that I will be solely responsible for any actions my pet causes while in our care, including payment of costs for damages or injury to another pet, person or objects.

Should the need arise for any medical attention while in our care, Canine Corner and Cats too! reserves the right to administer aid or seek veterinary services of our choosing at the expense of the owner. Should an emergency occur, I will be contacted immediately.

Personal items from home for your pet are allowed. Keep in mind, these items may become lost or destroyed by either your pet or another boarded guest and that Canine Corner is NOT responsible for replacement.

I have fully disclosed any history my pet may have of aggression, biting, or causing injury or damage to people or property and understand I, the pet owner, am liable for any medical expenses and damages that result from an animal bite.

I understand if I do not pick my pet up on the scheduled pick up day, 5 days after that date, a certified letter will be sent to the last known address stating that if the pet and bill are not paid in full within 15 days, the pet becomes the property of Canine Corner and Cats too! and your rights to ownership are revoked.

By signing this I hereby certify I have read and understand these rules and regulations and agree to abide by them.
